MISSOURI REGISTERED CITY CLERK (MRCC)

The Missouri City Clerks and Finance Officers Association (MoCCFOA) desires to improve the ability of Missouri municipal clerks to obtain certification through education and experience. Establishment of the Missouri Certification Program was to encourage on-going education and growth as a goal for all Missouri municipal clerks, regardless of the size of the municipality.

EDUCATIONAL OPPORTUNITIES:

New Clerks Institute (Annually in March):

PURPOSE: To introduce clerks to the legal aspects and core requirements of the position. This Institute is mandatory for all clerks entering the program and participants will receive six credit hours.

Spring Institute (Annually in March):

PURPOSE: To provide extensive educational opportunities and the opportunity to network with other clerks. The Institute offers between 20 and 22 credit hours.

IIMC Conference (Annually in May):

PURPOSE: To provide educational opportunities and the opportunity to network with other clerks throughout the world.

MML (Annually in Fall):

PURPOSE: This conference includes elected and other city officials. A Master Academy session is held, as well as two other sessions sponsored by MoCCFOA, for a possible total of nine credit hours.

Regional Institutes (Annually in Fall):

PURPOSE: To provide an opportunity for clerks to attend two-day training sessions in their own areas. Held in the Kansas City, St. Louis and Springfield areas, the same information is presented at each location. The different venues provide some flexibility for clerks attempting to obtain certification. These institutes are two-day sessions for a total of sixteen hours.

NOTE: Hours are also applicable to the IIMC certification program.
Determination of appropriate credits will be the decision of the Certification Committee.

CERTIFICATION:

Missouri Registered City Clerk (MRCC):

PURPOSE: The MRCC certification is tailored to the needs of Missouri Clerks. Clerks receive credits for attendance at educational functions.

Missouri Registered City Clerk – Continuing and Sustaining:

PURPOSE: The two steps between the MRCC and MPCC designations allow an opportunity for clerks to become more experienced and gain the expertise and knowledge required for MPCC certification.

Missouri Professional City Clerk (MPCC):

PURPOSE: The MPCC designation encourages further professional development of Missouri Clerks.

Name: _____

City: _____

NOTE: Clerks transferring to Missouri from another state who have attained CMC status from IIMC may receive the MRCC designation upon successful completion of the New Clerks Institute, submittal of a MRCC application and appropriate fees.
