

MO BUCKS

What are MO Bucks?

They are the “currency” that will be used to buy the silent auction baskets at this year’s Spring Institute.

How do I earn MO Bucks?

Register for the Spring Institute

Participate in class (instructors will be given MO Bucks to hand out at their discretion)

Participate in the activities in the Hospitality Suite

Random intervals during the week

How do I spend MO Bucks?

The winning bidders from the silent auction will use their MO Bucks to pay for their baskets. Cash, checks, credit/debit cards will not be accepted.

Bidders who win multiple baskets will be required to pay off the baskets in numerical order (i.e. basket 15 before basket 47)

If a winning bidder does not have enough MO Bucks to pay for their item the previous bidder will win the basket.
