“I SPY...LOOKING THROUGH OUR CUSTOMERS’ EYES TO FIND SUCCESS”

Terri Tucker (9AM – Noon)

Where do we find our success? Many think it might come by vision casting or satisfying an entrepreneurial spirit. The easiest way to find our success in any business is to develop the ability to look through the eyes of those we serve.

In this 3-hour engaging and interactive learning session, Terri Tucker will help us climb above the normal to find new ways to understand what differentiates us from all the rest. We will discuss personal branding and self-leadership, emotional linkage and even a “fresh Georgia Peach Danish” or two.

Come prepared to think, laugh, learn and apply. “If it is meant to be...it is up to me!”

Terri Tucker is a professional speaker, facilitator, writer and leadership consultant. She has owned and operated Tucker Resources since 1996 and serves clients worldwide in many industries.

CONQUERING SUPERMAN AND WONDER WOMAN

Suzette Brawner (1PM – 4PM)

Each year the world seems to spin faster and faster requiring us to do more, work harder, learn faster, be more productive and smile while we juggle it all. No wonder statistics suggest 43% of all adults suffer adverse health effects from stress. The gap between expectations and reality is where stress sits and simmers. The wider the gap the more anxious, angry, and disappointed we live. This session addresses the gap, where it comes from, and the five most important elements to narrow it to bring back work/life balance.

Suzette Brawner stirs reality and humor for a mix of inspiration, motivation, and hard laughter. A southern girl who loves sweet tea and good friends, Suzette meets audiences, regardless of their ages or backgrounds, right where they are. Suzette has touched hearts and encouraged thousands to be real, untangle their lives, and focus on what matters most.
